

Measurement specification

Wood

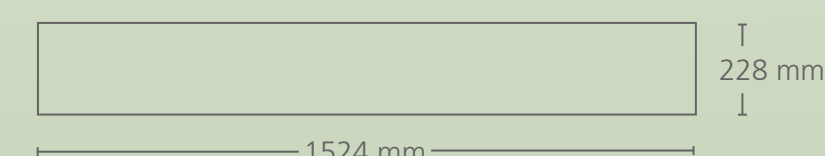

Planks

Size of the tiles:	184 mm x 1219 mm
Total thickness:	2,5 mm
M ² tiles per package:	3,14 m ²

Long planks (available in selected patterns)

Size of the tiles:	228 mm x 1524 mm
Total thickness:	2,5 mm
M ² tiles per package:	3,48 m ²

Chevron & Herringbone (available in selected patterns)

Size of the tiles Chevron:	114 mm x 571 mm
Total thickness:	2,5 mm
M ² tiles per package:	3,48 m ²

Size of the tiles Herringbone:	152 mm x 762 mm
Total thickness:	2,5 mm
M ² tiles per package:	3,4 m ²

Chevron

Herringbone

FuturaPublic is an innovative PVC Free floor tile.

FuturaPublic is free of chlorine, halogens and heavy metals found in traditional PVC floorings.

FuturaPublic is free of harmful plasticizers, phthalates and volatile organic compounds (VOCs).

FuturaPublic is environmentally friendly and performs as well, if not better, than traditional PVC floor tiles.

FuturaPublic is durable, high quality, low maintenance and eco-friendly.

FuturaPublic - Better for you.

FuturaPublic - Better for our planet.

FuturaPublic - For our future.
